Dear Sir,

This organization is conducting a classified research project in the San Diego area. Part of this project requires the collection of micrometeorological data at several selected sites for a period of seven to ten days and nights. These micrometeorological stations will be manned by fully authorized contractor personnel from [redacted]

25X1  
25X1

We would appreciate it very much if you will cooperate with this organization in allowing these personnel to set up their monitoring stations at a suitable site on your property. This organization will be responsible for these people while on this project. It is hoped that this project can begin during the week of 22 June.

25X1

In addition to contractor personnel there will be several Government employees associated with this organization and other Department of Defense Agencies who will be in and out of the area during this project. These Government personnel will carry appropriate identification.

Thank you very much for your cooperation and assistance in this very important project.
